Betsaida - I watched it, and it seems to be consistent with our talking points. I think the consideration is that this was one of CNN's "ireports," and I heard that CNN may be interested in doing a direct interview with Trish. I will let Mick fill in the blanks on that one.

Thanks - Shawn

This clip is up on CNN. Brief statement from our CIC. I would note that he did not identify that he had any affiliation with CNN or any news service. NB, some of us have had problems playing the video.

Didn't know if you had a chance to watch this video from the PM headlines. Trish is interviewed.

If you have problems viewing, let me know. I could view it just fine; Ron had trouble.
